Nova Scotia & Friends Showcase Brings Atlantic Canadian Flavor To Irish Fest 2009

Milwaukee Irish Fest will welcome nine entertainment acts from Atlantic Canada's four provinces – Nova Scotia, Newfoundland/Labrador, New Brunswick and Prince Edward Island – to comprise the Nova Scotia & Friends Showcase. The Showcase celebrates Irish Fest's partnership with the Department of Tourism, Heritage and Culture of the Province of Nova Scotia and will feature the Celtic history and culture of these Maritime Provinces.

Guests can enjoy performances from the following nine entertainers on the Celtic Roots Stage and main stages throughout the festival:

NOVA SCOTIA

- *DRUM!* Presents the Rhythms of Our Nation – An entertainment production featuring 11 musicians, dancers, drummers and singers, *DRUM!* highlights the four principal cultures of the province – Aboriginal, African, Celtic and Acadian – as the musical heartbeat of the region.

- *Evans & Doherty* – Kevin Evans and Brian Doherty celebrate their 25th Anniversary as a duo with their lively blend of traditional, original and contemporary songs, infused with stories and humor.

- *Pogey* – Halifax-based *Pogey* is comprised of six band members who combine fiddle, mandolin, acoustic guitar, bass, drums and four part vocal harmonies to produce an interesting sound, unique to Nova Scotia. The band broke into the U.S. festival circuit in 2008 and is one of the hot bands performing at Irish Fest this year.

- *Sons of Maxwell* – As Nova Scotia's version of the *Everly Brothers*, Don and Dave Carroll join together to create a broad spectrum of original, Celtic and maritime songs. The Carroll's back-up band will include award winning fiddle player, Troy

Milwaukee President's Message

Welcome to one of Wisconsin's busiest months. We are most hopeful your lawn is beautiful, the flowers are blooming, the garden is producing, and the mosquitoes don't like you. If your only option is just enjoying going to the local Farmer's Markets, this month is a treat too. Finding the great sweet corn is surely one of my favorite things. Other folks are out on the lakes fishing or just cruising, and even water skiing. So get out there and you'll be glad you did.

Our Installation Dinner on July 9th was held at the Knights of Columbus hall this year. We are pleased that so many of you were able to join us and participate in the event. Thanks to our hard working member Judge Dan Konkol in presiding at our swearing in ceremony for the officers. We are pleased to announce that

Veronica Ceszynski stepped forward to become our new Sergeant-at-arms. Sandy Quinlan remains as our Vice President, John Fisher as Treasurer, and Malkin Wallace begins as our new Secretary. Kathy Donovan becomes our Senior Trustee, Mary Culver is now the Junior Trustee, and Josh Walton is the Trustee. Heather Majusiak is the new Membership Chair, and Tom McAleese returns to the board as our new Parliamentarian. I want to ask all of you to thank Noreen Barclay for the time she has spent in the position of Trustee. She has been a guiding light for all of us. We also thank Linda Tuescher for her time of service as our Secretary, she has been a dedicated and loyal officer for our club, and please thank her in addition. Both of these women are former Irish Roses and exemplify service to the community.

Our thanks to Heather Majusiak and Allan Lacosse for their work on putting our annual picnic together. This is no easy task since we require no reservations and have to plan for 50 or 500 people to attend. We were pleased to return to Sacred Heart Church facility again this year. They have been both welcoming and hospitable to all of us. Thanks to Tim O'Brien for taking care of the stage for entertainment again. With everyone bringing a dish to pass, we have found some very extraordinary cooks in the club. This is such a nice way to relax and enjoy each others company and perhaps meet new club members. As always, children enjoy the day with games and prizes, fresh air and lots of running. This picnic is always a summer highlight, and if you were there and helped in any way, my appreciation to you. There is some grace involved for this I'm certain.

You will all be found at Irish Fest in some capacity of volunteering. Most club members are there and the Cultural Area looks like a meeting. The table we have was decorated by Noel Tylla and photos by Mary Culver. Let's hope we have some new members join us while visiting. We need to visit the Gaeltacht area which we sponsor, and if you are anywhere on the grounds, you will see our members helping make this the world's finest display of Irish culture. Our Irishman of the Year for 2009, is the Entertainment Coordinator Chuck Ward. Chuck, we thank you for your diligence and good sense in this endeavor. You will find our Irish Rose, Kathy Donovan, and Bill Sherry, our Parade Marshal in the Transportation Area, assisting our entertainers. It would take the whole publication to name all the other members who are actively providing their time and talent to the festival. You're all the best of the best.

Our meeting in August is at the ICHC at 7 p.m., with Jane Anderson providing us Irish Fest information. We have a special treat from our scholarship winners from the pipe school, so we'll just save a seat, give us a wave.

– Julie Smith, President

Color Guard News and Notes

Hello Everyone! Sorry I missed you all in June's issue of this article. I was, however, enjoying something I wanted to tell you about. The Midwest School of Pipes and Drums was held at St. John's Military Academy in Delafield June 6th – I was lucky enough to have been honored with one of the Ted Nestor Scholarships to attend the school, along with three other winners – Super Dave Culver, Kylie Mervyn, and Dominique Martin. Also former scholarship recipients JJ Garsombke and Dan McCormack were in attendance. On behalf of the winners, a huge *thank you* to the Shamrock Club for the opportunity to attend the school. I personally have been wanting to do it for years, and have marked it in my calendar for next year already. The continuing tradition of giving scholarships to SCCGPD members only betters our group, for what the students bring back in knowledge and networking is worth more than the monetary amount of the scholarship itself.

It was a week packed with excellent instruction, workshops and events. Some of the best players in the pipe band world were on staff including Bruce Gandy, Ken "the captain" Eller, Ringo Bowen, Lyric Todkill, Doug McRae, Tyler Fry, John Fisher and Tano Martone. We had a chance to network with those instructors and make new friends that we'll continue to see throughout the season. The parade with 80+ members was a big hit in town followed by a pub night at the local watering hole. Everyone had a chance to get up in front of the bar and play a set to the appreciative crowd. Myself, Dan, Kylie, Dave, Dominique and JJ had a chance to show off with a blazing fast version of "Rakes of Mallow" along with guest piper Ringo Bowen. (Thanks Ringo!) The crowd was on their feet cheering and to this day I am still getting emails of how great it was to see our group up there. Even Gold Medal piper and instructor Bruce Gandy commented that we

got a bigger ovation than he did! All in fun, that's what it should be about on a night like that, right?

The Thursday concert held in the campus chapel was packed to capacity and started out with a haunting canterach from the balcony. Canterach is the way pipe music was passed to each generation centuries ago, as there was not a standard to written music. It involves a few players singing the drones (two tenors and a base, tuned to A) while one or two "sing" the melody part that is today played by the bagpipe chanter. It sounds a lot like Gregorian chant – haunting and absolutely brilliant. There are a few YouTube videos of the event out there, be sure to check them out as they are impressive.

I would be remiss not to mention a few fantastic things that happened there. Monday night involved a judged student competition. Kylie competed and I'm ecstatic to announce she won 1st place! The comments on the competition sheet were nothing but positive and clearly stated marked and noticed improvement from last year. Congratulations to a *very talented* young lass. You deserve it, lady. Also, there were a few pipe school scholarships given away by nominations of the instructors, and one was given to a newcomer to the musical side of the pipe world, our very own Ms. Dominique Martin for excellence in drumming and as a tenor drumming student. She worked very hard over the winter and had only been playing for months. Congratulations, Dominique. I wanted to stand up and shout with joy when it was announced. Two SCCGPD members as recipients of school honors. I am so honored and proud to have them as part of our group!

The summer continues on for the band. As the summer heats up, so does our schedule. The color guard has been showing up with some very very impressive marching numbers to lead us down the street. Great job guys!

The members have been busy in other ways as well. Holly and Jason Heiden welcomed new son Franklin Chase in June. That makes head honcho Rich Pfeiffer a Granddaddy! Neil McCafferty's daughter, Ryleigh, celebrated her first birthday mid July, and Ms. Kylie graduated from 8th grade. Also a congratulations to Hans and Emily for being welcome new additions to our pipe line. Rand Harteau, Dan McCormack, Neil McCafferty, Sean Cavanaugh, and Pete Cobb are a part of an AC/DC rock cover band called *Razor's Edge*. I've seen one of the performances and it's not to be missed! Check with Rand Harteau for info on dates/times. Maybe you'll even see me up there one of these days!

On a sad note, my condolences to piper Hans Thompsen and his fiance, Lauren, who lost her mother, Julie Silletti, a few weeks ago. Nathan Cobb and I were honored to play her funeral service that day, attended by many a loved one and many, many Milwaukee dignitaries. I was told that she used to hear the band practicing at

the lake front while she was on a boat near shore and absolutely loved the sound of the pipes. This is a woman who despite some tough times, trained to become a triathlete in her 50s, was an impressive seamstress who ran her own business and was an all around incredible woman. Someone who I wished I would have met while she was alive, someone that I aspire to be like someday.

Love to your family, Hans and Lauren. Everyone else, tell those around you that you love them and give them a big hug. Life is so unfair and uncertain, you never know when they won't be there at your side in the future.

Lastly, on a lighter note, by press time, Irish Fest will be mere weeks away. That time of year again. I've been working on the Shamrock Club Cultural tent display that will have a "Then and Now" theme to honor the coming of our 50th anniversary and will feature Shamrock Club members and all of the groups that share the umbrella of the Shamrock Club. Stop by to say hello and see what we've been up to the past 50 years! The band will also soon start practicing for our standstill performance at the Crossroads – watch the schedule to see when we'll be playing. I've heard we'll have some guests in attendance for the 20 parades including some pipers from New York City's Fire Department (my surprise), as well as some other musical friends from pipe school. If you're out there reading this and would like to join us for the parades on Friday, Saturday or Sunday of Irish Fest, give us a jingle. (Or as Scots Neil and Winter say, "Give us a bell.") It's going to be a good time, I promise.

Well, I think that covers it for August. Until September my friends...

– Noel Tylla, 6th year piper

I want to thank Lorraine and her crew from the church for their hard work in the kitchen. They did an amazing job. I also want to thank the members of the Quinlan family for running the bars and the raffle. Linda Tuescher and Noreen Barclay did an equally impressive job in the sales areas. With four stages of entertainment, we needed the hard work of the volunteers to keep things running. Barry Stapleton had a balanced lineup, and it kept the people in the seats all day. I also want to thank the members of the Milwaukee Celtic Soccer Club for filling in open slots all day long. It was my first event to chair for the Shamrock Club, and it was a good event for me to get to know so many people.
